

OSYC BREAKOUT SESSIONS

SR HIGH TRACKS

Going into a World That Hates What You Believe (Juniors & Seniors Only)

Adulting is hard, especially as you go out into a world that hates Christians and all that we believe. Join us for this session as we talk about transitioning out of high school and into the next step of your journey, wherever God may choose to take you.

Shifting Identities: Recognizing yourself as a Child of God.

One of our biggest struggles in life may be with how we identify ourselves. We may be a son/daughter, a brother/sister, an athlete, a musician, a male/female. What happens if we looked past those things and start to see ourselves as God does?

Rise to the Challenge: Living Authentically as a Disciple of Jesus.

I go to youth group through the week and church on Sunday. . . isn't that enough? What does living as an authentic disciple of Jesus look like?

JR HIGH TRACKS

Start With Purpose

"What is my purpose?" A common question that we all ask ourselves. This question can lead to a lifelong pursuit of constant disappointment, or, it can lead to seeing that God has created you for a purpose.

Start With Community

"Who is my family?" Whether it is your blood family or church family, we are surrounded by people who make up our community to build us up and bring us closer to Jesus.

Start With Love

"What does it mean to be loved?" Before we can learn to love our neighbor or love ourselves, we must begin with the understanding that we are loved by God.

STUDENT LEADERSHIP TRACKS

Principles of Pivotal Leadership

Being a leader is challenging. This session will help student leaders identify some foundational truths about leadership that will help them to become the courageous leader that God has called them to be.

Communicating for Impact

Communication is key for everything in life. Especially for serving as a leader. This session will help student leaders understand how communication will make all the difference in helping bring about change.

YOUTH LEADERS TRACK

There will be a session specifically designed for Youth Leaders. Rod Adkins will be leading this time of learning, stretching, and processing.
