

Fresh Expressions Webinar

with **Michael Beck**

When: Monday, February 28th
Time: 10 a.m. to 3 p.m.
Where: Zoom

Our culture is changing at a rapid pace and so is the landscape of local church ministry. Ministry methods of the past are likely to be less effective in reaching new people for Jesus in the future. New expressions of church must emerge if we are going to continue to be effective in our cultural moment.

On Monday, February 28th there will be a one-day webinar with Michael Beck who will provide a look under the hood of one new expression of church called Fresh Expressions. Fresh Expressions was created to be a form of church for the changing culture, established primarily to reach people who are far from God.

In this webinar, we will learn from an experienced practitioner and thought leader in the Fresh Expression movement. Michael will dig into key practices that can help everyday believers unleash Spirit-empowered church multiplication in connection with inherited congregations.

Are you interested in exploring what it might look like for your church to launch some fresh expression of church? If so please plan to join us for this one day webinar with Michael Beck.

"I have had the privilege of spending a couple days with Michael Beck. I have listened to him share the philosophy of fresh expressions of church. I believe in Michael. I also believe fresh expressions is a kingdom venture every church should explore."
