Jimmy Spencer

Executive Agency Director, CPCU, AIM

Jimmy Spencer is no stranger to ministry and insurance. Before coming to American Church Group of Ohio, his insurance career enabled him to garner experience in underwriting, sales, marketing and management.

While he enjoys learning about ministries and their activities, Jimmy's extensive background allows him to provide valuable assistance by educating on coverages, loss control and risk analysis which all help in identifying insurance needs and concerns. Jimmy is active in missions within the US and abroad and has served as a Deacon, lay-speaker, Sunday school teacher, Youth leader and Song leader.

In addition to devoting his time to ministries' insurance needs, Jimmy enjoys spending time with his wife Andrea and their four boys, working on building projects and any outdoor activities.
