

## G1 and G2 Future Church: Growing During the Pandemic

With Dr. Esther Cottrell

In the last 2 years we have lived through what feels like a decade of changes and challenges, discussions and decisions. Questions that continue to dominate among many pastors are, “Where to now? What does Church look like going forward? How will I lead? How can we live into the Great Commission and be a disciple-making church in the current moment?”

In this track we will explore paths for the Future Church to follow using Will Mancini and Cory Hartman’s book, *Future Church*, as a resource guide for our journey.

1. We will investigate the problem of the church in America where the Great Commission is practically thought and taught to be, *Go into all the world and make more worship attenders, baptizing them in the name of small groups and teaching them to volunteer a few hours a month.*
2. We will inspect the Lower and Upper Rooms in the Church with an eye to move disciples to the Upper Room.
3. We will examine some Jesus principles for organizing and leading disciple making churches that moves us to multiplication and exponential Kingdom growth.

*This track is designed for clergy though all are welcome.*
