Teach the wise, and they will become even wiser; teach good people, and they will learn even more (Proverbs 9:9 NCV).

I believe the above represents most of the ministries and volunteers in our congregations.

This is the ONLY statewide Ohio Church of God event that is designed to connect all of our churches and their leaders together under one roof.

Because of the generous support of our local churches, Start Fresh continues to be a low cost/high-impact Christian Leadership Conference! This year's cost is only \$20 per person which includes lunch. After March 3rd, the price will increase to \$25 per person, lunch not included.

In addition to the above, this year we will offer our attendees the opportunity to walk through "Resource Alley". Resource Alley is available as you enter the lobby of the Meadow Park. Vendors from around the state and several national organizations will be present to share resources with you. All designed to help you do ministry better!

Looking forward to seeing you!
