

Senior Adult Ministry Track

C1

Shut Up and Dance

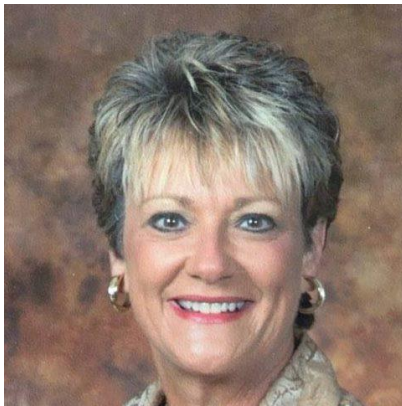

With Rev. Richard and Claudia Triplett

It is said that our soul dances while in the will of our Lord. Not a dance gaining glances, but a dance within the spirit with you and God in one accord. Letting God lead, while we follow each step taken in perfect time. His firm hand holding the hollow together as one.

In “Shut Up and Dance”, Richard and Claudia will share their many seasons of having to “Shut Up and Dance” their way through life! And though the last two years have been challenging, their attitude have not only helped them through this difficult season, but it has more than equipped both to lead a successful Older Adult Ministry at Salem Church of God.

Come learn the secret to dancing and leave sharing this important lesson with others.

This track is for our seniors or older adults and for those who lead these ministries.

C2

Lighthouse

With Pam Hall

We are so excited to have Pam Hall with us at this year’s Start Fresh Leadership Conference. Pam is a member of Salem Church of God in Clayton OH.

She is a former Director of Marketing at Friendship Village Dayton Ohio. The model of Friendship Village is to see every patient and resident as a person first!

As a healthcare professional, Pam has lived this commitment for 30 plus years in the long term care profession.

At her home church of Salem, she started and oversees the **Salem Light House for Caregivers Ministry**. Which provides a care program for adults with Alzheimer’s or Dementia while their caregivers take an afternoon break.

Pam is excited to share with you her passion for serving those who serve others as caregivers. If your church is looking for ways to serve both your members and community, this is the session you will not want to miss!
