

CHURCH MATTERS Track

H1 Has God Called You to the Ministry?

With Dr Martin Johnson

For everyone who calls on the name of the Lord will be saved. How, then, can they call on him they have not believed in? And how can they believe without hearing about him? And how can they hear without a preacher? And how can they preach unless they are sent? As it is written: How beautiful are the feet of those who bring good news. (Roman 10:13-15 CBS)

Do you believe you have been called to preach or minister to others? Are you looking for credentialing recognition?

Dr. Martin (Marty) Johnson a member of the Ohio COGO State Credentials Committee will help guide you in understanding the steps towards getting your ordination. Dr. Johnson has many years of teaching, leading and providing shepherd care to both the church and unchurched. In addition, he understands the process of getting your license and ordination certificate.

This session is for those desiring ministry credentialing or just interested in understanding the process.

H2 Protecting Your Church Property

Safe Deeding

With Nancy Blankenship

"We didn't know, how could they have done such an unchristian thing!" These are some of the comments we hear from church leaders when they find that their church has been taken or sold by an unfriendly group.

The myth that church bylaws can stop steeple taking or the theft of property, from happening has been proven wrong.

Church of God Ministries and Church of God Ohio (COGO) have partnered together to help educate and walk church leaders through how to help protect their property.

Nancy Blankenship serves as the Business Administrator and Treasurer of the Board of Directors for COGO Ministries. She is the SME (subject matter expert) when it comes to Safeguarding church property and has been tasked with helping our Ohio Churches review and strengthen their current property deeds.

This Track is for church treasurers, elders, board leaders and pastors.
