

Discovery Day 2022

A day to explore
church multiplication!

June 7th 10 AM to 4 PM
Salem Church of God
Dayton, Ohio

EVENT OVERVIEW

Have you been wrestling with your next ministry role in the Church? Is it possible that God calling you to be a church planter or campus pastor? Is He calling you to start a missional Community, microchurch, or fresh expression of church? Is your church dreaming of going multi-site or daughtering a church?

Discovery Day is designed to help you and your team explore the calling to multiply your church and what that may look like. Together, we will wrestle with questions like:

- ~What is church multiplication?
- ~Am I called and wired to be a church multiplier?
- ~What is our next best step to pursue multiplication?

The goal of Discovery Day is to help pastors and church leaders gain greater clarity on what it could mean for them or their church to multiply.

We will be joined by regional leaders and pastors from Ohio, Michigan, and Indiana for a day of discovery. Tuesday, June 7th.
