

Krenz Family

Mark is the Lead Pastor of Meadow Park Church in Columbus, Ohio where he is leading the church to experience renewal and a fresh lifecycle. Before coming to the Buckeye State with his wife and four daughters in 2017 Mark was the Lead Pastor of a large congregation in Scottsdale, AZ. Over his 25 years in ministry, Mark has also been a church planter in Southeast Phoenix and a youth pastor in Anderson, Indiana.

Mark's passion is to see the church reach its full potential in helping people experience *life to the fullest* in Christ!

Beyond leading churches Mark has served on several local, state, and national boards within the Church of God and beyond. Currently he serves as a Trustee at Anderson University. Mark has also taught college and seminary courses in church leadership and student ministry, as well as being an executive coach for church planters and pastors.

Mark earned his Masters of Divinity and Doctor of Ministry degrees from Anderson University. He also spent a year at the Church of God Bible School in Germany after finishing his undergraduate studies in Political Science and Pre-law at Wayne State University in Detroit.

Mark was born in Germany to a Church of God pastor, but grew up in Metro Detroit where his father pastored a German-English speaking congregation. Mark is fluent in German.

Mark has been married to Shannon for 23 years and they have four beautiful daughters - two in high school and two in middle school. All of them serve in the church together. And they have two small dogs.

For fun Mark enjoys time with his family, playing, coaching, and watching soccer, driving fast cars, and going on family vacations and cruises with his wife.
